

Let It Snow

Josh Levi

Let it snow
(Ooh) Let it snow (Let it snow in the air)
Let it snow, oh yeah (Mmh)

It's another Christmas holiday
It's a joyous thing when the angels sing 'cause we together
We got a thing, yeah, can't let it slip away
Though outside it's rain and sleet, when our bodies meet
I don't care about the weather

Let it snow (Oh)
Let it snow (Snow)
(Outside it's cold), but the fire's blazing
So baby, let it snow (Snow, oh, let it snow, yeah)
Let it snow, let it snow (Oh)

Oh, come here and help me trim the tree
I wanna wrap you up, anything you'll see
You're the only present I need
There's so much more, waiting for you in store
From this precious day, I can gladly say
There's no place that I'd rather be

Oh, you want my everything
Come a little closer
(God must have sent you down from heaven)

Let it snow (Let it)
Let it snow
(Outside is cold), but the fire's blazing, (Yeah baby)
So baby, let it snow (I don't care if it's cold inside)
(I need you here with me, right here, come closer)
Let it snow, let it snow

Let it snow, let it snow (Snow)
Let it snow, let it snow
Let it snow (Oh), let it snow (Snow)
Let it snow, let it snow
