

NOSEBLEED

Josh Levi

Mm...

Take it all out on me
I'll know that you won't mean it
A game of hide and seek, mm
You know before you speak
So many different reason
I'll let you take the lead, I'll let you

Fall like dominoe, fold the antidote
No one let me know, this is rock and roll
Say you have to go, I can stay and call up
I'm a loaded gun, now we're having fun
Now we're on the run thanks to everyone
I'll pull up a one if you left the light on

She's so far from my seeing
Up in my nose, it's bleedin'
Stuck in a nosebleed, bleedin'
I was upstairs, you were upset
Went too far from my seeing
Up all night, no sleepin'
Stuck in a nosebleed, bleedin'
I was upstairs, you were upset

You were runnin' at the foreland
But you left in the morning, mm
Didn't even want it
But you're just so great performin', oh

Fall like dominoe, fold the antidote
No one let me know, this is rock and roll
Say you have to go, I can stay and call up (Mm)
I'm a loaded gun, now we're having fun
Now we're on the run thanks to everyone
I'll pull up a one if you left the light on

She's so far from my seeing
Up in my nose, it's bleedin'
Stuck in a nosebleed, bleedin'
I was upstairs, you were upset
Went too far from my seeing
Up all night, no sleepin'
Stuck in a nosebleed, bleedin'
I was upstairs, you were upset
She's so far from my seeing
Up in my nose, it's bleedin' (Bleedin')
Stuck in a nosebleed, bleedin'
I was upstairs, you were upset (Ah, oh, no, no, no)
Went too far from my seeing (Yeah, yeah)
Up all night, no sleepin'
Stuck in a nosebleed, bleedin' (Yeah)
I was upstairs, you were upset

Take it all out on me
I'll know that you won't mean it
A game of hide and seek, mm
