

SHE KEEPS COMIN

Josh Levi

I thought you told your ex it was over
I think he's having trouble finding closure
He's gotta be high, he can't be sober
Can't blame the next guy who has your old girl, mmmh

You moved on and he hates it
So he still tryna chase it
Actin' tough like it won't work
God, his girl want me on tour (uh)
If he knew you was naked
On the high, he would take it
Girl, your ass will go crazy
If he knew about the love we been makin'

She keeps comin' for me, don't come for me
'Cause she comin' for me, she wants to be here
Right in front of me, don't come for me
This is my territory, she wants to be here

Ha-ah-ah-ah-ah, oh-oh-oh-oh
Oh-oh-oh-oh-oh, she wants to be here
Oh-oh-oh-oh-oh, oh-oh-oh-oh
Oh-oh-oh-oh-oh, she wants to be here

And when your legs start to shake in
The dark must be impossible to take in
If I lost your love, I'd do the same shit
You'd have me lookin' stupid, movin' crazy, oh

You moved on and he hates it (don't)
So he still tryna chase it (oh-oh)
Actin' tough like it won't work (work)
God, his girl want me on tour (on tour, uh)
If he knew you was naked (yeah)
On the high he would take it (take it)
Girl, your ass will go crazy
If he knew about the love we been makin'

She keeps comin' for me, don't come for me
'Cause she comin' for me, she wants to be here
Right in front of me, don't come for me
This is my territory, she wants to be here

Ha-ah-ah-ah-ah, oh-oh-oh-oh (yeah, yeah)
Oh-oh-oh-oh-oh (ooh), she wants to be here
Oh-oh-oh-oh-oh, oh-oh-oh-oh
Oh-oh-oh-oh-oh, she wants to be here
Oh no, no, no, no, yeah
