

VICES

Josh Levi

Proud of myself for not answering
Your calls but just know I been tempting
One day I'll be a thousands days away
From missing you right now it's just

Two weeks, no speaking
I been leaving you and it feels like it's been too long
When I was with you dark times, light liquor
Too drunk to admit that I was wrong

I been
Putting down my vices
And I'm having a good time alone
Losing you
Lowered all of the prices
It's so affordable to be alone

Trying to build a happy home
I'd invite you if you wasn't so toxic
Think it's best if I just leave you alone

Want you to know it was good while
If lasted wish I could but
If I give in, I lose myself
I go back through hell

But I like heaven, that sounds pleasant
You a bitter, liquor strong
All past, no present, learn my lesson
Can't fuck with you 'cause I'd be wrong

I been
Putting down my vices
And I'm having a good time alone
Losing you
Lowered all of the prices
It's so affordable to be alone

Trying to build a happy home
I'd invite you if you wasn't so toxic
Think it's best if I just leave you alone
