

## Bite Sized Try

Josh Pyke

Well he don't like lettuce  
That's something I understand  
Yeah some fruits just look yucky  
Or they might seem kinda bland (boring)  
And he don't like broccoli  
Well luckily for you  
I got a tip about eating  
When you're trying something new

Just eat a little bit  
Just a bite sized try  
And you might find  
That you kinda like it

Take a little morsel from your plate  
And pop it in your mouth, you're doing great  
You don't have to eat every bite  
But you'll never know if you like it 'til you try  
So go on, give it a bite sized try

You say you don't like spinach  
Zucchini and peas as well (poor things)  
I heard you tell that boiled egg  
To get right back in its shell  
But if you only try this  
You'll find life's full of surprises  
So here's a little tip for you  
When you're eating something new

Take a little morsel from your plate  
And pop it in your mouth, you're doing great  
You don't have to eat every bite  
But you'll never know if you like it 'til you try  
So come on, and give it a bite sized try

Singing la, la la la la la  
La la la la la  
La, la la la la la  
La la la la la

Look at you, you're doing great now  
You don't have to clear your plate now  
You never know what you might like  
Unless you give it a bite sized try

Look at you you're doing great now  
You don't have to clear your plate now  
You never know what you might like  
Unless you give it a bite sized try

Just give it a bite sized try  
Just a little a bite sized try  
Just a nibble a bite sized try  
A little nibble a bite sized try

Eat a little bit  
Just a bite sized try

And you might find  
That you kinda like it
