

# Words Make the World Go Around

Josh Pyke

"L" is a letter  
"Love" is a word  
Paint a picture  
Of the world

And the world is a planet  
And we're all hanging out in space  
Words can solve the puzzle  
Of this complicated place

So, how do you spell love?  
L-O-V-E  
How do you spell life?  
L-I-F-E

We've seen the more we speak them  
Words will change the world  
That's why they're so intriguing

Words tell a story  
So, settle in  
Words ask questions  
Like what happens in the end

And a book is like a movie  
But it's playing in your head  
You don't have to be alone  
'Cause words will be your friend

So, how do you spell love?  
L-O-V-E  
How do you spell life?  
L-I-F-E

We write the more we read them  
Words will change the world  
That's why they're so intriguing

Words make the world go 'round  
Words make the world go 'round  
Words make the world go 'round  
Words make the world go 'round

We sing the more we speak them  
(We sing the more we speak them)  
We write the more we read them  
(We write the more we read them)

Words make the world go 'round  
(How do you spell love?)  
(L-O-V-E)  
Words make the world go 'round  
(How do you spell life?)  
(L-I-F-E)  
Words make the world go 'round  
(How do you spell love?)  
(L-O-V-E)
