

One Step Down

Josh Ritter

If Jesus was an angel
If Jesus was an angel
It'd be a step down for him but one step closer to me

'Cause I'm down here on the ground
'Cause I'm down here on the ground
And if it's one step down for me I'll be one foot underneath

Ooh
Ooh

If bluebirds were drops of rain
If bluebirds were drops of rain
It'd be a step down, there'd be music whenever rain came

Ooh
Ooh

If you were next to me tonight
If you were next to me tonight
It'd be a step down for you but I'd be high

Ooh
Ooh
Ooh
Ooh
