

Wanted Me Gone

Josh Thompson

I put the "good" in front of "bye, y'all"
Put a hole in the drywall
Put the pedal to the firewall
And I was gone

I met the boys at The Starlight
Tried to drink a hundred Bud Lights
Lost count around midnight
But you got what you wanted, baby

Yeah, you wanted me, wanted me
Wanted me, wanted me, wanted me gone
So, I'm movin', I'm movin'
I'm movin', I'm movin', I'm movin' on
Yeah, now, you're cryin', you're cryin'
You're cryin' 'cause you're all alone
But you wanted me, you wanted me
Wanted me, wanted me, wanted me gone

When you threw me out the back door
Screamin' like an Evinrude outboard
I guess I took a detour
When you told me to go to hell

'Cause I'm in Heaven every weekend
The water's nice off the deep end
I bet that you were thinkin'
I'd be all by myself, oh, well

You wanted me, wanted me
Wanted me, wanted me, wanted me gone
So, I'm movin', I'm movin'
I'm movin', I'm movin', I'm movin' on
Yeah, now, you're cryin', you're cryin'
You're cryin' 'cause you're all alone
But you wanted me, you wanted me
Wanted me, wanted me, wanted me gone

Yeah, I hear you want me back
But I just can't do that

You wanted me, wanted me
Wanted me, wanted me, wanted me gone
So, I'm movin', I'm movin'
I'm movin', I'm movin', I'm movin' on
Well, now you're cryin', you're cryin'
You're cryin' 'cause you're all alone
But you wanted me, you wanted me
Wanted me, wanted me, wanted me gone

Wanted me, wanted me
Wanted me, wanted me, wanted me gone
I'm movin', I'm movin'
I'm movin', I'm movin', I'm movin' on
You're cryin', you're cryin'
You're cryin' 'cause you're all alone
You wanted me, you wanted me

Wanted me, wanted me, wanted me gone
