

## Beginning To End

Josh Ward

Alarm clock's ringin', it's 4:00 AM  
I kissed the babies, said, "I'll see you around 10:00"  
I gotta lot of drive time for thinkin'  
A motel light's the end  
I often wonder, if I'll ever see you again

But I want you to know, girl I pushed when I should've been  
But I thank God for everyday when you walk in  
If I could say anything, anything I want you to know  
Girl I loved you, from beginnin' to end

Workin' Monday through Sunday, oh this [?] work never ends  
Family times to small talk, that's when I feel the cold, cold wind  
I wish I lost my mind from drinkin', hangin' out with all my friends  
The seven days put us under, Lord it seems I just can't win

But I want you to know, girl I pushed when I should've been  
But I thank God for everyday when you walk in  
If I could say anything, anything I want you to know  
Girl I loved you, from beginnin' to end  
Yes I did

If I could say anything, anything I want you to know  
Girl I loved you, from beginnin' to end  
If I could say anything, anything I want you to know  
Girl I loved you, from beginnin' to end  
Yes I loved you, from beginnin' to end  
Oh yeah, from beginnin' to end  
Yeah, from beginnin' to end
