

# Broken Heart

Josh Ward

What's a cowboy supposed to do  
When a cowboy ain't suppose to cry?  
There's gotta be a beer somewhere that needs a tear  
When you just can't keep it all inside  
Everywhere I go just ain't my kinda vibe  
The folks are havin' fun, man must be nice

Guess I'm the only one with a broken heart  
Ain't found another sad soul so far  
Everybody must be doin' fine  
'Cause I'm in a rut, they're stuck in party time  
All I wanna do is turn my radio on  
Reset the clock and hear a sad country song  
But I'm just lookin' for a place to fall apart  
Guess I'm the only one with a broken heart

Nothin' quite goes for the fool sittin' on a stool  
Like burnin' whiskey over ice  
And I wouldn't feel like such a fool if she fooled me once  
But man she fooled me twice  
Everywhere I go, just can't seem to find  
Neon lights and smoke, damn it don't feel right

Guess I'm the only one with a broken heart  
Ain't found another sad soul so far  
Everybody must be doin' fine  
'Cause I'm in a rut, they're stuck in party time  
All I wanna do is turn my radio on  
Reset the clock and hear a sad country song  
But I'm just lookin' for a place to fall apart  
Guess I'm the only one with a broken heart  
Just can't seem to find a place to fall apart  
Guess I'm the only one with a broken heart
