

Come Back To Me

Josh Ward

Dodged a hurricane last summer, barely made it through the fall
It made for a cold long winter, now the spring time's here, you
still haven't come

The rain outside my window, sure makes it hard to see
But you been gone for so long, are you comin' back to me, yeah
Comin' back to me, coin' back to me yeah
Oh baby, baby come back to me

Another night, another smoke, another bottle of wine and one mo
re lonely song
Some more time to think about all the things I've known all alo
ng
How you done me wrong, well I can't pass the fact I still want
you back
Oh baby, I still want you back

Rain outside my window, sure makes it hard to see
But you been gone for so long, are you comin' back to me, yeah
Comin' back to me, coin' back to me yeah
Oh baby, baby come back to me
Oh baby, baby come back to me, oh yeah yeah
