

Talkin' To Your Picture

Josh Ward

I can tell you there's someone I can't forget
Someone that I'm not over yet
I can say most anything at all
When I'm talking to your picture on the wall

I can take you down and hold you in my hands
Tell you that I hope you'll understand
I can say it's not your fault at all
When I'm talking to your picture on the wall

But when we're face to face
I just can't face the truth and say
The words I know would break your heart in two
And telling you it's over and we can't go on this way
Is the hardest thing I'll ever have to do

Oh, but it's easy for me to say goodbye
To a photograph I know ain't gonna cry
And I don't have to save the tears that fall
When I'm talking to your picture on the wall

Oh, I'm talking to your picture on the wall
