

# Be Brave, Be Strong, Be Kind

Josh Wilson

You'd never know that it's the last day of his life  
You just assume a guy like him is doing fine  
And he might tell you he's okay  
'Cause that's we're supposed to say  
You'd never know that it's the last day of his life

He needs to know  
He's not alone

Be brave, be strong, be kind  
You never know who needs a little light  
Everybody's got a hurt they're hiding  
Everybody's got a battle they're fighting  
Be brave, be strong, and be kind

You'd never know that it's the worst year of her life  
From all the photos, you would think that she's just fine  
She's learned to make them look that way  
But she can't smile the pain away  
You'd never know that it's the worst year of her life

She needs to know  
She's not alone

Be brave, be strong, and be kind  
You never know who needs a little light  
Everybody's got a hurt they're hiding  
Everybody's got a battle they're fighting  
Be brave, be strong, and be kind

We get a little bit lost  
We get a little bit lost sometimes  
We get a little bit lost

'Cause he needs to know, and she needs to know  
And you need to know you're not alone

Be brave, be strong, and be kind  
You never know who needs God's light  
Be brave, be strong, and be kind  
You never know who needs a little light  
Everybody's got a hurt they're hiding  
Everybody's got a battle they're fighting  
We all get a little bit lost sometimes  
Oh Jesus, help us  
Be brave, be strong, and be kind  
Be brave, be strong, and be kind
