

Coming Home

Josh Wilson

I'm not sure what's left to say
I can't count the times I've turned away
To look for love in the saddest place
Don't give up on me, don't give up on me

Oh God I've been running for so long
Don't know how I get so far out here on my own
But oh God I'm running back to Your strong arms
I need to be where You are
I'm falling apart alone
I'm coming home

I'm scared to look You in the eyes
I've had a second chance a thousand times
But You're the light left on, You're an open door
And You'll always give a thousand more

Oh God I've been running for so long
Don't know how I get so far out here on my own
But oh God I'm running back to Your strong arms
I need to be where You are
I'm falling apart alone
I'm coming home

I'm a wandering soul
Who's found the truth
A restless heart
Can only rest in You

Oh God I've been running for so long
Don't know how I got so far out here on my own
Oh God I've been running for so long
Don't know how I get so far out here on my own
Oh God I'm running back to Your strong arms
I need to be where You are
I'm falling apart alone
I'm coming home
I'm coming home
I'm coming home
