

# I Surrender All

Josh Wilson

Looks like I'm really in it  
It's not how I saw it going  
I guess I'll be going with it  
I might as well, I can't control it

Maybe a dead end, dead end  
Is where it all begins  
Maybe a white flag, white flag is  
The only way to win

I surrender, I surrender all, all  
I surrender, I surrender all  
All of my best laid plans  
Leaving 'em in Your hands  
I surrender, I surrender all, all  
I am yours  
Lead me Lord

This might take a minute  
It's not a river, it's an ocean  
But I'll let your current take me with it  
'Cause I know it'll lead me where you're going

I surrender, I surrender all, all  
I surrender, I surrender all  
All of my best laid plans  
Leaving 'em in Your hands  
I surrender, I surrender all, all  
I am yours  
Lead me Lord

Feels like fighting gravity  
Surrender is so hard for me  
But I am learning to believe  
Surrender is my victory

I surrender, I surrender all, all  
I surrender, I surrender all  
All of my best laid plans  
Leaving 'em in Your hands  
I surrender, I surrender all, all  
I surrender, I surrender all  
I surrender, I surrender all
