

Self Less

Josh Wilson

It ain't about thinking less of myself, just thinking of myself less

They say humility doesn't come easily
And I find that to be true
I've got a lot of pride, yeah me, myself and I
Still got some growing up to do

Cause if I want to find the very best life
I've got to learn to die to myself
There's freedom to be found
When I stop and look around
And think about someone else

Ain't about thinking less of myself, just thinking of myself less
Ain't about thinking less of myself, just thinking of myself less
If I want to live like Jesus, got to learn to love like he does
Ain't about thinking less of myself, just thinking of myself less, self less

This ain't a song about
Beating myself down
See I am living under grace
For God so loved
The world so much
That I am free to do the same

And if I want to find the very best life
I've got to learn to die to myself
There's freedom to be found
When I stop and look around
And think about someone else

Ain't about thinking less of myself, just thinking of myself less
Ain't about thinking less of myself, just thinking of myself less
If I want to live like Jesus, got to learn to love like he does
Ain't about thinking less of myself, just thinking of myself less, self less

Love God, love people
Its so hard and so simple
Love God, love people
Its so hard and so simple

It ain't about thinking less of myself, come on

Ain't about thinking less of myself, just thinking of myself less
Ain't about thinking less of myself, just thinking of myself less
If I want to live like Jesus, got to learn to love like he does
Ain't about thinking less of myself, just thinking of myself less, self less

Ain't about thinking less of myself, just thinking of myself less
Ain't about thinking less of myself, just thinking of myself less
If I want to live like Jesus, got to learn to love like he does
Ain't about thinking less of myself, just thinking of myself less, self less
