

Don't Let Me Down

Joshua Bassett

Don't you remember early September?
Fooling around, didn't know any better
Our ship was sinking, we held on as long as we could

I cried on your shoulder, now I don't know you
I keep replaying it over and over
Wanna go backward, don't know if I can this time

We made a mess, but we were just kids then
Gave it our best, we fell off the deep end
I can't forget the way that you held me, dear

So, you say you want me again
Don't you remember the hell we were in?
I haven't been the same since you left
Half of my heart is still there in your hands
So, if you pick me back off the ground
Don't let me down

Don't let me down
Don't let me down, down, down, down
Don't let me down
Don't let me down
Don't let me down

How do I know that you actually need me?
You say it's different, I wanna believe you
Holding our hope in, maybe this time is for real

I've been naïve, but maybe we need this
Nobody looks like you do

So, you say you want me again
Don't you remember the hell we were in?
I haven't been the same since you left
Half of my heart is still there in your hands
So, if you pick me back off the ground
Don't let me down

Don't let me down
Don't let me down
Don't let me down
Don't let me down
Don't let me down, ooh

Don't let me down
Don't you let me down
Don't you tell me that you want me just to walk away now
Don't let me down
Don't you tell me that you love me if you don't know how
Don't you let me down
Don't let me down
Don't you turn your back on me and we can figure it out
We'll figure it out
Don't let me down
Don't you let me down
Don't you tell me that you want me just to walk away now

Don't let me down
Don't you tell me that you love me if you don't know how
Don't you let me down
Don't let me down
Don't you turn your back on me and we can figure it out
We'll figure it out
Don't let me down
Don't let me down
Don't let me down
Let me try again
Ooh
Ooh
Don't let me down
