

# Sad Songs In A Hotel Room

Joshua Bassett

I'm wearin' a robe  
The same ones we left on the hotel floor  
Just one year ago  
"Do not disturb" hangin' on the door

How the hell we end up, where we did?  
Don't you think it's messed up? It all went to shit  
It's kind of depressing, bein' here alone  
I miss you so pick up the phone

And I order room service for one  
Champagne mini bar bottles are done  
I've got a balcony room with the view  
Velvet curtains are closed  
I'm singin' sad songs in a hotel room  
Mm-hmm, mm-hmm  
Where I once held you  
I'm singin' sad songs in a hotel room  
Mm-hmm, mm-hmm

The neighbors are knockin', they just wanna sleep  
It's three a.m. while my guitar gently weeps  
I flip through these old magazines  
Dream destinations, we promised we'd see  
Oh, oh-oh

How the hell we end up, where we did?  
Then one year, it all went to shit

So I order room service for one  
Champagne mini bar bottles are done  
I've got a balcony room with the view  
Velvet curtains are closed  
I'm singin' sad songs in a hotel room  
Ooh, ooh-ooh, ooh  
Where I once held you  
I'm singin' sad songs in a hotel room  
Mm-hmm, mm-hmm, ah, ah, ah  
Oh, oh-oh, oh

We checked in together, I never checked out  
Guess it's heartbreak hotel 'cause just look at us now

Oh, I order room service for one  
Champagne mini bar bottles are done  
I've got a balcony room with the view  
Velvet curtains are closed  
I'm singin' sad songs in a hotel room  
Mm-hmm, mm-hmm  
Where I once held you  
I'm singin' sad songs in a hotel room
