

Let It Go

Joshua Hyslop

Well I've loved, I've lost, but I still can't find
The way to the middle of my heart
And I open my eyes and I don't know why, but I feel so old
You don't know what you've got but you've got to let it go

Let it go
Let it go
Let it go, I know
You don't know what you've got but you've got to let it go

Well the sun will set on my sins tonight
But the weight's been lifted off my heart
And is it all that much just for me to ask that the truth be told?
You don't know what you've got but you've got to let it go

Let it go
Let it go
Let it go, I know
You don't know what you've got but you've got to let it go
You don't know what you've got but you've got to let it go

Let it go
Let it go
Let it go, I know
You don't know what you've got but you've got to let it go
You don't know what you've got but you've got to let it go
