

# One Shot In The Darkness

Joshua Hyslop

Oh, stage is set like always  
Won't be long before I'm gone  
See them coming through the doorway  
Wondering whose side they are on  
So I take one shot in the darkness  
And move along

I was on the way to Memphis  
Got no love from the Carolines  
How much longer can I do this?  
Leaving half my heart behind  
It takes one shot in the darkness  
To change my mind

And the years are passing by me  
Oh, the years roll on and on  
The fire below is coming and it won't be long

Got enough left just to get there  
Not enough to make it through  
If I cannot live without this  
I don't know what I'm gonna do  
So I'll take one more shot in the darkness  
Aim for you  
Oh, I'll take one more shot in the darkness  
Ooh
