

Me & Lazaro

Joshua James

Oh, how the years pass blindly
I remember when you didn't even know my name
I swear to God you make me mighty
I wouldn't have it any other way

It's you and me, baby, it's you and me
Passing through the land of the living
Helping one another see
It's me and you, baby, it's me and you
Raising our daughters with the love of fire
Burning blue
It's me and you

What can I say, what can I do?
I'd climb to the top of the Rocky Mountains
To show my love is true
You could go blind, baby, deaf or mute
There's nothing in the world that is big enough
To keep me back from you

It's you and me, baby, it's you and me
Passing through the land of the living
Helping one another see
It's me and you, baby, it's me and you
Raising our daughters with the love of fire
Burning blue
It's me and you

It's you and me, baby, it's you and me
Passing through the land of the living
Helping one another see
It's me and you, baby, it's me and you
Raising our daughters with the love of fire
Burning blue
It's me and you
