

Tie One

Joshua James

Rejoice my son
Go help tie one
To the roof you belong
In the house you will die on

Masthead my dear
Can you not hear?
There's a man alive underneath that bed
He has told me all, everything you said
From you the day you came till to the day you left

But oh, my love and hate
I'm not the same
A peaceful rage
And I, cannot confide
The Holy Ghost
I was burning bright
And I won't be blamed
For anything
Oh

But oh, my love and hate
I'm not the same
A peaceful rage
And I, cannot confide
The Holy Ghost
I was burning bright
And I won't be blamed
For anything
And I won't be blamed
For everything
