

Water Run

Joshua James

Lord, I'll follow you to the river bed
Water, run over me
I'll follow you to the river bed
As long as these eyes can see
I'll follow you anywhere you go
Lord, watch over me
I'll follow you to the river bed
Water, run over me

Lord, I'd follow you into the depths of hell
If you did ask me to
I'd follow you into the depths of hell
If only you'd see me through
I'd follow you anywhere you go
Though I'm out of view
I'd follow you into the depths of hell
If only you'd ask me to

So lay low, lay low, Jesus
Take me home
Lay low, lay low, my love

Lord, I'll follow you to the river bed
Water, run over me
I'll follow you to the river bed
As long as my eyes can see
I'll follow you anywhere you go
Lord, watch over me
I'll follow you into the river bed
Water run, water run over me
