

Back to Forever

Joshua Radin

Loving you don't come easy like it used to
Loving you don't come easy but I still want to
I'm holding on to the scraps of light that creep through the cracks
beneath your door
'Cause loving you don't come easy anymore

Oh, can we get to the heart of it?
Oh, cover the scars
Then we'll know, it doesn't matter who started it
Don't say we'll never get back

I know that loving me is a never ending story
And I'd have lost if you were keeping score
But I swear to you
This battle's worth the glory
Even though loving me don't come easy anymore

Oh, can we get to the heart of it?
Oh, cover the scars
Then we'll know, it doesn't matter who started it
Don't say we'll never get back

Don't tell me, there's no way we can turn back time
'Cause I believe we're everything when we close our eyes
So close your eyes

Oh, can we get to the heart of it?
Oh, cover the scars
Then we'll know, doesn't matter who started it
Don't say we'll never get back-
Oh, get to the heart of it
Oh, cover the scars
Then we'll know, doesn't matter who started it
Don't say we'll never get back to forever
