

Crowded Table

Joshua Radin

You can hold my hand
When you need to let go
I can be your mountain
When you're feeling valley-low
I can be your streetlight
Showing you the way home
If you can hold my hand
When you need to let go

I want a house with a crowded table
And a place by the fire for everyone
Let us take on the world while we're young and able
And bring us back together when the day is done

If we want a garden
We're gonna have to sow the seed
Plant a little happiness
Let the roots run deep
If it's love that we give
Then it's love that we reap
If we want a garden
We're gonna have to sow the seed

Yeah, I want a house with a crowded table
And a place by the fire for everyone
Let us take on the world while we're young and able
And bring us back together when the day is done

The door is always open
Your picture's on my wall
Everybody's a little bit broken
And everyone belongs
Yeah, everyone belongs

I want a house with a crowded table
And a place by the fire for everyone
Let us take on the world while we're young and able
And bring us back together when the day is done
And bring us back together when the day is done
And bring us back together when the day is done
