

# Goodbye

Joshua Radin

Should I go, should I walk away?  
So many things I wish I could say  
Catch my reflection, I try to look brave  
Then I close my eyes

There's this thing, I can't explain  
You are the only thing that's keeping me sane  
I built a shelter 'cause it's calling for rain  
I should let you inside

But goodbye, I'll be gone by the sunrise  
'Cause I'm in love with the next time  
And I'll keep you in my mind  
I'm saying goodbye, I'll be gone by the sunrise  
'Cause I'm in love with the next time  
Just keep me alive in your mind

Some day I hope, you understand  
One day I hope I can be that man  
But for now, I'm just the boy who ran  
I'm sure you think I'm insane

I hate to say it but I like me more 'cause of you  
And in my head it seems I'm winning the war, it's a coup  
It's a battle and I might live through it  
But it's still gonna rain

But goodbye, I'll be gone by the sunrise  
'Cause I'm in love with the next time  
And I'll keep you in my mind  
I'm saying goodbye, I'll be gone by the sunrise  
'Cause I'm in love with the next time  
Just keep me alive in your mind

All it took was a look you gave and it saved me from my whole l  
ife  
In your face was the only place that could take me to such grea  
t heights  
And I can't seem to fight it so

But goodbye, I'll be gone by the sunrise  
'Cause I'm in love with the next time  
Just keep me alive in your mind  
I'm saying goodbye, I'll be gone by the sunrise  
'Cause I'm in love with the next time  
Just keep me alive in your mind
