

She Belonged to Me

Joshua Radin

We been runnin
Down the skyway
Just like the years before
Songs we're singing
Singing my way I
Can't sing that a way no more
Cos she runs
Cos she rolls
Cos her fire sings
To my soul
She walks streets
A thousand miles
From where I lay in my hands
Through the gardens
The rains of England
Wash away what bled
From my wounds
From years before
Let the storm blow myyyy boat
To a door
#And I can't think about
Anybody else
That's the way I felt
It's the cards we're dealt all along
You see (that)
She belonged to me#
There's a pain
That rests within her
Been there all her life
The bright'n'rain
An family dinner
Keep her feelin' right
Near her light brown eyes I stay
Till the White cliffs seaside
Wash away
#And I can't think about
Anybody else
That's the way I felt
It's the cards we're dealt all along
You see (that)
She belonged to me#
It's been three years
Since I knew she was
The one
Now she appears
I Can't
Let her run
Life's just begun
#And I can't think about
Anybody else
That's the way I felt
It's the cards we're dealt all along
You see
Yeah all along
You see
She belonged to me#
