

Voodoo

Josie and the Pussycats

I'm gonna do some voodoo
On you baby.
I'm gonna do some voodoo on you.
You can run, it doesn't matter anyhow.
I'm bound to get you now.
'Cause I'm gonna do some voodoo on you.

The first time that I saw you boy
I wanted you so bad.
But I guess you hadn't heard the news.
Well, I've been tryin' to make you mine,
But it's takin' too much time.
So I guess I'm gonna have to put my magic powers to use.

I'm gonna do some voodoo on you baby.
I'm gonna do some voodoo on you.
You can run, it doesn't matter anyhow.
I'm bound to get you now. (yeah)
I'm gonna do some voodoo on you.

I'll mix me up a bottle of love potion number nine,
Then I'll say a magic word or two.
And once you look into my eyes,
You'll be completely hypnotized.
Then I'll make you want me just as much as I want you.

(yeah, yeah)
I'm gonna do some voodoo on you baby.
I'm gonna do some voodoo on you.
You can run, it doesn't matter anyhow.
I'm bound to get you now.
'Cause I'm gonna do some voodoo on you.

I'm gonna do some voodoo on you baby.
I'm gonna do some voodoo on you. (yeah)
You' can't run, it don't matter anyhow.
I'm bound to catch you now.

I'm gona do some a-voodoo on you baby.
I'm gonna do some a voodoo on you.
