

# I've Fallen in Love With You

Joss Stone

I've fallen in love with you  
Please, tell me, tell me what else was there to do  
When feelin lips like yours and looking into eyes like yours  
Oh, I might as well face it  
Cause it's true  
Yes, I've fallen in love with you

Oh, my beating heart wants you  
And my empty arms need you  
Don't you go, please stay  
And never try to send me away

I've fallen in love with you (ooh baby, please stay)  
I've fallen in love with you

I've fallen in love with you  
And you've just got to feel the same way too  
When you embraced me last night  
Lord knows it was pure, such pure delight

Oh, my beating heart wants you  
And my empty arms need you  
Don't you go, please stay  
And never try to send me away

Oh yes, my love  
Oh yes, my love  
My darlin  
I've fallen in love with you  
I've fallen in love

I've fallen so deep in love you see  
Until you become the very soul of me  
Let me tell you something,  
I don't care enough anyway  
All over, hey, all over my face it shows  
Said I'm talkin bout love this time  
Oh, yes I am  
And you know what?  
It's not a schoolgirl crush

Oh no, no [x12]

Ooh, baby, yea  
Oh my beating heart wants you  
And my empty arms need you  
Don't you go, please stay  
And never try to send me away  
My beating heart wants you  
And my empty arms need you  
Don't you go, please stay  
And never try to send me away

I've fallen in love with you (yes, my love)  
I've fallen in love with you (in love with you, in love with you)  
I've fallen in love with you (it's not infatuation cause I would really know  
)

I've fallen in love with you  
(My beating heart wants you, you know, you know, you know, you know, you know, you know)  
I've fallen in love with you  
(I've fallen for you)  
I've fallen in love  
(I'm falling in love)  
I've fallen in love with you  
(Tell me, what else was there to do?)  
I've fallen in love
