

It's a Man's Man's World

Joss Stone

This is a man's world
This is a man's world
But it wouldn't be nothing
Nothing without a woman or a girl, ooh

You see, man made the car to take us over the road and
Man made the train to carry the heavy load
Man made electric light to take us out of the dark
Man made the boat for the water
Like, like Noah made the ark

This is a man's, a man's world, ooh
But it would mean nothing
Nothing without, without a woman or a girl
Without a woman or a girl

Man thinks about the little bitty baby girls
And the baby boys see
Man makes them happy
Cause man made them toys
And after man make everything
Everything he can
You know that man makes money to buy from other man

This is a man's, a man's world ooh
But it wouldn't be nothing
Not one little thing no
Without a woman or a girl
Without a woman or a girl

Man needs a woman
He's got to have a woman
Man, he needs a woman
He's got to have a woman

Man makes everything he can
But you see a woman makes a better man
A woman makes a better man

This is a man's, a man's world ooh
But it would mean nothing
Not one little thing no
Without a woman or a girl, no
Without a woman or a girl, no
It would mean nothing

This is a man's world
