

# Nothing Takes The Place Of You

Joss Stone

I moved your picture  
From my walls  
And I replaced them  
Both large and small

And each new day  
Finds me so blue  
Nothing nothing  
Takes the place of you

I read your letters  
One by one  
And I still love you  
When it's all said and done

And oh, my darling,  
I'm so blue  
Because nothing, oh nothing  
Takes the place of you

I, I write this letter  
It's raining on my window pane  
and I feel the need of you  
Because without you  
Nothing seems the same

So I'll wait  
Until you're home in my arms  
And, again I'll love you  
Yes I will  
But I'm all alone  
I'm all alone

And oh my darling  
I'm so blue  
Because nothing  
Oh nothing, could take the place of you.

Mmm... Nothing baby... Nothing...
