

Sideway Shuffle

Joss Stone

Wake up, this is the.....? morning shake up
feel your fingers fumble
hear your bilith rumble

Come on all ya kids just speak up boys lipis it slips your mind
open up your.....?
weather its not your kind

Side way shu-oh-oh
ain't going nowhere
Just form a circle
Come on now
just like the way

Now is forever can we make it better
is it up to you and me
Eternity

Raise up your eyebrows from the
hear your hair rap up
feel your foot stutter

Let your legs take away your...
now get your move on
can't get your move for time for you to see
cause I'mgonna start to shoot some

Side way shu-oh-oh
ain't going nowhere
Just form a circle
Come on now
just like the way

Now is forever can we make it better
is it up to you and me
Eternity

Sideways shuffle
sideways shuffle
sideways shuffle
baby
ain't going nowhere love
ain't going nowhere love
just form a cirle
just like a worm

Sideways shuffle
Sideways shuffle
Sideways shuffle
Sideways shuffle...
