Sideways Shuffle

Joss Stone

Ooh uh

Wake up this is the mankind of
Morning shakeup
Feel your fingers fumble
Hear your belly rumble

Come on all you keepers
Kick off your slippers
Before it slips your mind
Open up your peepers
Put on your wind cheaters
If the weather is not too kind
Hey nah

Hey nah nah, hey nah nah
Sideways shuffle
Hey nah nah, hey nah nah
Ain't going nowhere
Hey nah nah, hey nah nah
Just form a circle, come on now
Hey nah nah, hey nah nah
Just like the wo-oh-orld

Now is forever
Can we make it better
Is it up to you and me?
Eternity

Raise up your eyebrows
From the ground
Hear your head rap-a
Feel your foot tap-a

Let your legs take ya
Where your heart aches to go
Now get a move on
Can't catch your move
For time cause you see
Cause I'mma slide ya shoes on
Hey nah

Hey nah nah, hey nah nah
Sideways shuffle
Hey nah nah, hey nah nah
Ain't going nowhere
Hey nah nah, hey nah nah
Just form a circle,oh
Hey nah nah, hey nah nah
Just like the wo-ah-orld

Now is forever
Can we make it better
Is it up to you and me?
Eternity

Sideways shuffle

Sideways shuffle
Sideways shuffle, baby
Oh!

Ain't going nowhere love
Ain't going nowhere love
Just form a circle
Just like the world
Ooooh

Oh oh oh sideways shuffle
Sideways

Hey nah nah, hey nah nah
Sideways shuffle
Hey nah nah, hey nah nah

Hey nah nah, hey nah nah
Sideways shuffle
Hey nah nah, hey nah nah

Hey nah nah, hey nah nah
