

# The Love We Had (Stays on My Mind)

Joss Stone

Lately baby, I've been thinking  
How good it was when you were here  
And it ain't the wine that I been drinking  
For once I feel my head is clear

But early this morning, when I opened up my eyes  
That old lonesome feeling took me by surprise  
I guess you meant more to me than I realized  
The love we had stays on my mind  
The love we had stays on my mind

And lately girl, I've been remembering  
The good times that we used to share  
My thoughts of you don't have an ending  
And memories of you are everywhere

But why should I tell you, it's not your concern  
You win some, you lose some  
Well I've lost and I've learned  
It's just that I'm so lonely  
With no place to turn  
And here at the end, I find  
Yes I do

The love we had stays on my mind  
Girl, if you were nearer  
If you had a mirror  
Maybe you could count my tears

And if you were nearer  
It would all be clearer  
How I wish that you were here  
How I wish that you were here  
How I wish, how I wish  
How I wish that you were here

And baby girl I was tired  
So I laid down to dream for a little while  
But lately I've been so, so uninspired  
Without the comfort of your smile

But I'm not complaining  
Cuz that's how it goes  
There's always some heartache  
In this world I suppose  
But you can't imagine  
But nobody knows

The love we had stays on my mind  
The love we had stays on my mind  
The love we had stays on my mind
