

## After the Fall

Journey

So now love is gone  
I can't go on, love is gone  
I want to say but it's just too late  
Waited far too long

Should have told you then I knew  
Should have told you right from the start  
But the words didn't come out right  
So I'll tell you straight from my heart

You meant more to me than I let you see  
You held on somehow  
All your tenderness and your sweet caress  
I miss you now

But a headstrong stubborn man  
Only works it out the best he can  
Valentines he never sent  
There's not enough time, he's a workin' man

Can't stop fallin', heartaches callin'  
Finds you after the fall  
Saints or sinners, take no prisoners  
What's left after you fall? No not much, no

Oh I say love is gone, I can't go on  
Now love is gone  
I want to say but it's just too late  
Waited far too long

Should have told you then I knew  
Should have told you right from the start  
But the words didn't come out right  
So I'll tell you straight from my heart

Can't stop fallin', heartaches callin'  
Finds you after the fall  
Saints or sinners, take no prisoners  
What's left after you fall? No not much, no  
No, no, not much, after the fall  
After you fall, after you fall
