

# Lay It Down

Journey

Lookin' 'round for a feelin'  
I love the rhythm and blues  
The place was rockin' and reelin'  
I thought I'd shake me loose

The band was pumpin' Motown  
Lord, how they could play  
The girls a-started singing  
Rock the night away

By the midnight hour  
They could've raised the dead  
They were takin' it higher  
Higher, higher, higher, ringin' in my head

Lay it down  
    (Lay it down)  
Lay it down  
    (Lay it)

Lay it down  
    (Lay it down)  
Lay it down

Whiskey, wine and women  
They get me through the night  
I ain't lookin' for trouble  
I ain't lookin' to fight

A little vertical persuasion  
Would do me right  
What I'm really needin'  
Ah, double shot tonight

By the midnight hour  
We were on our way  
She was takin' it higher  
Higher, higher, higher, then I heard her say

Lay it down  
    (Lay it down)  
Lay it down  
    (Lay it, lay it)

Lay it down  
    (Lay it down)  
Lay it down

By the midnight hour  
We were on our way  
She was takin' it higher  
Higher, higher, higher, then I heard her say  
Baby

Lay it down  
    (Lay it down)  
Lay it down

(Lay it)

Lay it down

(La' la' lay it down)

Lay it down

(La' la' la' lay it)

Lay it down

(Lay it down)

Lay it down

(La' la' la' la' lay it)

Lay it down

(Lay it down)

Lay it down
