

# Let It Rain

Journey

'Cause in your head  
Some pressure builds  
Said something's coming  
Coming down on you  
'Cause the heaviness  
Impression on your whole truth  
Feeling emptiness  
What you gonna do?

No time to hide it  
No time to fight it  
Let it rain  
I said let it rain  
Let it rain

When lightning strikes  
No one feels safe  
You can't stop the storm  
You can't get near, it's rain  
You can't plow the ground  
Plant all your seeds  
Skies don't open up  
Never getting what you need

No time to hide it  
No time to fight it  
Let it rain  
No time to hide it  
No time to fight it  
Let it rain  
Oh, let it rain  
Oh, yeah

Yeah, up in the air, up in the air, up in the air

No time to hide it  
Oh, no time to fight it  
Let it rain  
No time to hide it  
No time to fight it  
Let it rain  
Oh, let it rain  
Oh, let it rain  
Let it rain  
Let it rain  
Let it rain
