

# Rubicon

Journey

In this promised land  
fire burnin' in our hands  
The choice is ours to make  
realize your fantasy  
You live the dream  
with every step you take

Stand tall stand on the edge  
use the thin end of the wedge  
The will to cast your fate  
don't turn around too late  
Lose ground if we hesitate  
burning youth won't wait

(chorus)

Make a move across the rubicon  
the future's knockin' at your door  
Take your time and  
choose the road you want  
Opportunity is yours

See it all so clear  
time is right time is near  
We know now what to do  
All God's children learn  
which way to turn  
turning back we're through

We all refuse to lose  
live life and light the fuse  
burning youth won't wait
