

Separate Ways

Journey

Here we stand
Worlds apart hearts broken in two two two
Sleepless nights
Losing ground I'm reaching for you you you
Feelin' that it's gone
Can change your mind
If we can't go on
To survive the tide love divides

Someday love will find you
Break those chains that bind you
One night will remind you
How we touched and went our separate ways
If he/she ever hurts you
True love won't desert you
You know I still love you
Though we touched and went our separate ways

Troubled times
Caught between confusion and pain pain pain
Distant eyes
Promises we made were in vain in vain in vain
If you must go
I wish you love
You'll never walk alone
Take care my love miss you love

Someday love will find you
Break those chains that bind you
One night will remind you
How we touched and went our separate ways
If she/he ever hurts you
True love won't desert you
You know I still love you
Though we touched and went our separate ways

Someday love will find you
Break those chains that bind you
One night will remind you
If he ever hurts you
True love won't desert you
You know I still love you

I still love you boy/girl
I really love you boy/girl
And if she/he ever hurts you
True love won't desert you

NOOOOOO!!!
NOOOOOO!!!
