

# One Puff

Jowell & Randy

Oye  
Jowell y Randy  
We 'bout the music (Arriba, arriba)  
B-Case  
Iyaz (C'mon)

It was a moment of weakness  
I got caught in my head  
And I just felt like as a stone  
I didn't know how to go  
And everything became be slow  
And I got stuck in the smoke  
I started rolling another one  
Without even knowing what was gonna come  
I had a blunt in my hand  
Didn't know how it ends  
I never got it again

Yeah I remember that one puff  
Had me feeling I can't be touched  
It was crazy couldn't get enough  
But I remember that one puff  
Got me feeling like oh-oh-oh  
Flying so high, head's in the sky  
Screaming like, oh-oh-oh-oh  
Feeling butterflies, starting to rise  
Sounding like, oh-oh-oh  
Flying so high, head's in the sky  
Screaming like, oh-oh-oh-oh-oh  
Feeling butterflies, starting to rise  
Sounding like  
Yeah

You're the girl

I don't smoke weed everyday day  
Mejor si tengo una baby a mi lado  
Puff, puff, pass everyday  
Y me haces contigo a mi lado  
I'm chilling with you girl  
I'm going down with you  
I'm chilling with you girl  
If you wanna love, I'm with that too

Yeah I remember that one puff  
Had me feeling I can't be touched  
It was crazy couldn't get enough  
But I remember that one puff  
Got me feeling like oh-oh-oh  
Flying so high, head's in the sky  
Screaming like, oh-oh-oh-oh  
Feeling butterflies, starting to rise  
Sounding like, oh-oh-oh  
Flying so high, head's in the sky  
Screaming like, oh-oh-oh-oh  
Feeling butterflies, starting to rise  
Sounding like

Mi try find a little high grade  
Some sweet sensimilia to ease my brain  
One bag a weed, some papers and grabba  
One puff alone mi cyaan feel my face

Lo primero que saco en la mañana al despertar  
Uh, sin desayunar  
Yo quiero arrebatarme, tiendo a enojarme  
Y del mundo desconectarme

Sounding like, oh-oh-oh  
Flying so high, head's in the sky  
Screaming like, oh-oh-oh-oh  
Feeling butterflies, starting to rise  
Sounding like, oh-oh-oh  
Flying so high, head's in the sky  
Screaming like, oh-oh-oh-oh  
Feeling butterflies, starting to rise  
Sounding like
