Change

JOY.

That look on me's everlasting
Please look sorry don't have the answers on it
Never thought that I'd be where I am today
Never thought that I'd see who I am today

Fading on the floor with all my thoughts
All I ever do is watch the leads
I keep running back to you
I don't know what for
I just cannot seem to find my peace

And still I'm waiting, I'm waiting, I'm waiting
But you never came
And still I'm waiting, I'm waiting, my mistake
Oh you'll never change
Oh the shame, oh the shame, I'm the only one
I've got to blame
I'm a fool for your love, I'm afraid because
You'll never change

I wrote, I wrote a letter to you
I'll never send
Oh what, oh what a feeling to know I'm not healing

And still I'm waiting, I'm waiting, I'm waiting
But you never came
And still I'm waiting, I'm waiting, my mistake
Oh you'll never change
Oh the shame, oh the shame, I'm the only one
I've got to blame
I'm a fool for your love, I'm afraid because
You'll never change
