

Crazy For You

JOY.

Stop, wait a minute
You keep running across my mind
Stop, and wait a minute
This isn't the first time
Why do I keep on trying?
I keep on trying to forget
Oh, I need you
Why do I keep on lying?
I keep on lying to myself to stop what I'm gonna turn into

'Cos I'm crazy for you
Yeah, I'm crazy for you-ou
And everything that you do
Yeah, I'm crazy for you
Yeah, I'm crazy for you
Yeah I'm crazy for you-ou
And everything that you say only makes me wanna stay it with you

I don't really mind what you're doing to yourself
As long as I'm by your side
And there is nobody else
I didn't wanna try too hard
Didn't wanna lie too much
I just couldn't stand to see you breaking down on me
I didn't wanna talk too much
I know you said you'd had enough
I just couldnt watch you go and walk out on me

'Cos I'm crazy for you
Yeah, I'm crazy for you-ou
And everything that you do
Yeah, I'm crazy for you
Yeah, I'm crazy for you
Yeah I'm crazy for you-ou
And everything that you say only makes me wanna stay it with you
'Cos I'm crazy for you
Yeah, I'm crazy for you-ou
And everything that you do
Yeah, I'm crazy for you
Yeah, I'm crazy for you
Yeah I'm crazy for you-ou
And everything that you say only makes me wanna stay it with you
'Cos I'm crazy for you
Yeah, I'm crazy for you-ou
And everything that you do
Yeah, I'm crazy for you
Yeah, I'm crazy for you
Yeah I'm crazy for you-ou
And everything that you say only makes me wanna stay it with you
