JOY.

You don't know a thing about me
And I don't know a thing about you
I don't fucking know you
But I know what you like to do

I think I confuse you
But I love the delusion
I only wanted to use you
Nah-nah-nah-nah-nah-nah
I think I confuse you
But I don't wanna lose you
(I can't) live my life unwanted again

If you feel don't feel like home
I should be on my own
I swear I'd let you go
But I don't wanna be alone
Hey-ey-ey, hey-ey, yeah-eah
Hey-ey-ey, hey-ey, yeah-eah
Hey-ey-ey, hey-ey, yeah-eah
Yeah-eah, yeah-eah

You make me feel so young and carefree
You make me question all that I do
But then you put your arm over me
And baby I melt into you

I think I confuse you
But I love the delusion
I only wanted to use you
Nah-nah-nah-nah-nah-nah
I think I confuse you
But I don't wanna lose you
I can't live my life unwanted again

If you feel don't feel like home
I should be on my own
I swear I'd let you go
But I don't wanna be alone
Hey-ey-ey, hey-ey, yeah-eah
Hey-ey-ey, hey-ey, yeah-eah
Hey-ey-ey, hey-ey, yeah-eah
Yeah-eah, yeah-eah

(Hey-ey-ey-, hey-ey-ey) When you say what's up, I play along
(Hey-ey-ey-, hey-ey-ey) Cause you turn me up and put me on
(Hey-ey-ey-, hey-ey-ey) I should give you up, I know it's wrong
(Yeah-eah) Cause you're never gonna feel like home

If you don't feel like home
I should be on my own
I swear I'd let you go
But I don't wanna be alone
Hey-ey-ey, hey-ey, yeah-eah
Hey-ey-ey, hey-ey, yeah-eah
Hey-ey-ey, hey-ey, yeah-eah
Yeah-eah, yeah-eah

Hey-ey-ey, hey-ey, yeah-eah
