Lose Control

JOY.

(Lose control)
(Lose control)

I know he can do
Came all this way
Don't try to undo
Without a scene

So if I give you what you need
Just some of my time
Soon as I give you what you need
Don't leave me blind

I can't seem to find my way back home
I don't even know where I went wrong

I crashed the phantom
Unparked the blame
I tried to mend you
To front no place

So if I give you what you need
Just some of my time
Soon as I give you what you need
Don't leave me blind

I can't seem to find my way back home
I don't even know where I went wrong

Feels like I'm about to lose control
I don't even know where I went wrong
