

Waterfalls

JOY.

Ooh, that's too bad
Ooh, that's too bad

I can't see through this point in time
Suspended in my thoughts, I find
It's raining purple in our eyes
It's clear like clouds set in the sky
Set in the sky

Our chapters end and we grow wiser
At our cliff's edge where water
Tries to fly

And, now
Waterfalls
And, now
Waterfalls
And, now
Waterfalls
And, now
Waterfalls
And, now
Waterfalls

I can't sit here and play the part
It wears me thin, I don't know why
I sit and pretend like it's fine when it's not
When I can't see the edge, and it's in sight

Our chapters end and we grow wiser
At our cliff's edge where water
Tries to fly

And, now
Waterfalls
And, now
Waterfalls
And, now
Waterfalls
And, now
Waterfalls
And, now
Waterfalls
