

Dog In The Yard (B-Side)

Joy Again

Dog in the yard, oh my, how'd he get there?
Fallin' apart as he matches your blank stare

Who's that dog playing in that field?
Got no time to know where to be
Dog sittin' in the street just as I'm lookin' in
Where would he be if this city was still green?

Dog on a plane, oh yeah, cloggin' up my brain
Dog in the yard, oh yeah, keepin' me sane
Keepin' me sane, keepin' me sane

Dog in the yard, oh my, how'd he get there?
Fallin' apart as he matches your blank stare

Fallin' apart as he matches your blank stare
Fallin' apart as he matches your blank stare
Your blank stare
