

Mistakes

Joy Again

I can't remember all my mistakes
I'll stay forever if that's what it takes

(Think of the past)
Think of the past and you'll get sick of me
(It doesn't mat-)
It doesn't matter, laying in the meat

It's just a promise no one can make
Stealing from 'round here, there's not much to take

(Maybe I don't)
Maybe I don't know responsibility
(Maybe I'm done)
Maybe I'm done for, loving all my dreams
(Just trying to find)
I'm floating on the stormy sea
(I'm floating on)
Just trying to find something nice to eat
