

The Grave

Joy Crookes

Don't you know that I will die for you
Don't you know that I'm alive for you
Don't you know that I will ride for you
Don't you know I risk my, I risk my life

Back from the grave, back from the grave
Back from the grave, back from the grave
Back from the grave, back from the grave
Back from the grave, back from the grave, I'm back from the grave

Back from the grave, been losing my mind, yeah I've been
Going insane, yeah I was insane, dying in pains, I
Cannot explain, shattered in pieces, cremated
Yeah I'm here again, is you I can't escape

Don't you know that I will die for you
Don't you know that I'm alive for you
Don't you know that I will ride for you
Don't you know I risk my, I risk my life

Back from the grave, back from the grave
Back from the grave, back from the grave
Back from the grave, back from the grave
Back from the grave, back from the grave

Back from the grave, was trying in pains, you couldn't escape my mind
Everything for vein, and nothing has sparked, came back to life
You again, why I can't explain, forever you and I
Take me away, can't you see that I remember how I died

Don't you know that I will die for you
Don't you know that I'm alive for you
Don't you know that I will ride for you
Don't you know I risk my, I risk my life

Back from the grave, back from the grave
Back from the grave, back from the grave
Back from the grave, back from the grave
Back from the grave, back from the grave, I'm back from the grave
