

Willpower

Joy Denalane

Voices tellin' me, "Go"
Voices tellin' me, "No"
Can't recognize which one is mine
I'm runnin' with the wolf pack
Might never find my way back
This time I might have crossed the line

You can't contain a raging fire
Oh, what a fool I was for tryin'

Tryna find my will, willpower (Who I am, who I am, who I am)
Who am I to try to fight against will, willpower (Who I am, who
I am, who I am)
I surrender, I raise my hand
(Oh, oh)

Dancin' on a razor's edge
Cut myself and made a mess
And lived to fight another day, yeah
I went to where the heart goes
I had to take a hard blow
But I still never felt the pain, no

You can't contain a raging fire
Oh, what a fool I was for tryin'

Tryna find my will, willpower (Who I am, who I am, who I am)
Who am I to try to fight against will, willpower (Who I am, who
I am, who I am)
I surrender, I raise my hand

I keep walking on the blurry line
I know it's gonna lead me home, ah
And this the only one I follow blind
So lead me on, lead me on
All I ever needed was

Will, willpower (Wo I am, who I am, who I am)
Who am I to try to fight against will, willpower, yeah (Who I a
m, who I am, who I am), 'cause I am
All I ever needed was willpower (Who I am, who I am, who I am)
Who am I to try to fight against will (Willpower), willpower (W
ho I am, who I am, who I am)
I surrender, I raise my hand
I surrender, I raise my hand, oh
