(you Make Me Feel Like) A Natural Woman

Joy Denalane

Looking out on the morning rain I used to feel so uninspired And when I knew I had to face another day Lord it made me feel so tired. Before the day I met you, Life was so unkind You're the key to my piece of mind

Cause you make me feel You make me feel You make me feel like a natural woman (woman)

When my soul was in the lost and found You came along to claim it

I didn't know just what was wrong with me Till your kiss helped me name it. Now I'm no longer doubtful of what I'm living for And if I make you happy I don't need to do more

Cause you make me feel You make me feel You make me feel like a natural woman (woman)

Ohh baby what ya done to me (whatcha done to me) You made me feel so good inside (good inside) And I just wanna be (wanna be) Close to you you make me feel so alive
